Disciplemaking – the process and the method

The disciplemaking process

1. Come and see (John 1:39)

2. Repent and believe (Mark 1:15)

3. Follow me (John 1:43)

4. Follow me and fish for men (Matt 4:19)

5. I am sending you (John 20:21)

A good learning community...

1. Is developmental - it develops the character, capacity and capability of the participants
2. Is a community - creates an environment where people learn from each other as well as the teacher
3. Draws from the experiences of the participants
4. Is problem based
5. Is outcome oriented
6. Is interesting and rewarding to be a part of
