

Faith to Face Persecution

Lessons from the Seven Churches

JV conf. Erwin Lutzer, May 2011

1. We cannot take the existence of any church or denomination for granted
2. Compromise weakens the church
3. As followers of Jesus we must embrace persecution
4. Even when the church is in the hands of the devil it is still in the hands of God
5. The crescent cannot destroy the cross
6. Things are not what they appear to be
7. A remnant will be faithful
